

The following fee structure will apply for the period:

1st July 2010 – 30th June 2011.

The SAACI Board is acutely mindful of the current business environment in which all of our members are currently operating, and has taken this into account when considering an appropriate increase in Membership fees for 2010/11. The Board is also aware that the current downturn has certainly negatively impacted upon certain sectors within the broad Business Tourism sector to one degree or another. The Board has consequently therefore limited the increase in Membership fees to a nominal approximate 5%.
